
Strikeman Target Print Guide

Use the downloaded PDF and print at actual size so your target keeps the correct dimensions.

- 1 Choose either Single Target - Live Fire or Humanoid - Live Fire.
- 2 Select Download and save the PDF to your device. Avoid screenshots because they can change the target size.
- 3 Open the PDF and select Print.
- 4 Set the print scale to 100% or Actual Size on standard printer paper.
- 5 Choose color or grayscale, then print.
